Jonathan Serigne was recently diagnosed with Ewing Sarcoma, a rare cancer normally found in children and young adults. Jonathan is 36 years old with a wonderful wife, Randi Rousseau, formerly of Ponchatoula, and 2 young children. As he starts his fight against cancer, his financial burden of medical costs, travel and the inability to work are staggering. To assist Jonathan in his journey, the Ponchatoula Kiwanis Club is hosting a benefit golf tournament. Proceeds from the event will be gifted to Jonathan and his family. We hope you'll join us for a fun filled day of golf, food and prizes!
